

On the inside of the shield write (or cut out and paste) Proverbs 7 verse 5:

Cut this out and paste it on the front of the folded shields.

Pretend you are with a friend. The friend said the words in the quote bubbles. Write what you would say underneath your pretend friend's speech. Don't forget you can write on the back of the bubbles if you run out of room on the front.

Make up your own questions on the blank bubbles.
