| Workbook | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Extra Resources and Activities | | | | | |
| Activities and Printables | <p><u>Catan Board Game (Base Game)</u> Free online version: https://catanuniverse.com/en/ - The free version is limited (you can't play with others, etc.)</p> <p><u>iCivics: Foundation Basics</u> What's the relationship between government and power? And how do the concepts of authority, legitimacy, and sovereignty influence that relationship? In this lesson, students are introduced to these key characteristics of government, consider how governments establish and maintain them, and analyze government forms to determine if and how each characteristic exists.</p> <p><u>iCivics: John Locke Mini-lesson</u> This mini-lesson introduces students to the ideas and writings of John Locke that influenced the likes of Thomas Jefferson and other Founding Fathers.</p> <p><u>iCivics: Philosophically Correct</u> What exactly is the ideal government? Let some of history's leading philosophers give you their take. In this government philosophy lesson, students explore how philosophers have explained the relationship between people and their governments and examine how those ideas influenced America's founding documents.</p> | | | | |

| | <p>Learning how to cook inexpensive meals: Throughout the year there will be a variety of recipes scheduled in for cooking inexpensive meals. Feel free to substitute your favorites. The point is to learn how to make home cooked meals and snacks that are budget-friendly and less expensive than packaged versions. Recipes have been chosen for their versatility (ingredients can easily be subbed) and/or for their cost savings.</p> <p><u>Homemade granola</u> Note: Granola is one of those recipes you can change up depending on what ingredients you have on hand! You can eat it for breakfast or a snack!</p> | | | | |
| Videos | <ul style="list-style-type: none"> ❖ 7 Minute History of Austrian Economics ❖ Austrian Economics and Keynesianism (Keynesian Economics) Explained in One Minute | <ul style="list-style-type: none"> ⚙ What if you could trade a paperclip for a house? Kyle MacDonald TEDxVienna *There is a remark about virginity in a joking manner and a curse word mentioned twice. ⚙ Barter ⚙ Money vs. Barter Characteristics of Money ⚙ Thinking Like An Economist- Macro/MicroTopic 1.1 (Scarcity) | <ul style="list-style-type: none"> ❖ What the Inflation of the 1970s Can Teach Us Today WSJ | <ul style="list-style-type: none"> Why YOU should learn economics! | <ul style="list-style-type: none"> ❖ TED-Ed: What gives a dollar bill its value? - Doug Levinson Quiz score: |
| Full-Length Videos | | | | | <ul style="list-style-type: none"> Real Life 101 Note: This is not a flashy show, but it showcases a bunch of different jobs, kind of like a video career fair. It's optional, but it may give you some new ideas about a potential future career. It also discusses which things you should focus on for the various jobs via training or college. |
